

BAGS AND LEATHER GOODS STYLE DIRECTIONS FW 2019/20

Three stories to forecast the most relevant styles of leather goods lovers.

PERFORMER

Sport style became focused on futuristic materials, unexpected finishing, ergonomic volumes, squared shapes and massive lines.

Functionality is the key point of elegance and modernity. The accessory has to be versatile, lightweight, multi performance and comfortable.

Sacs, shoppers, back packs, dufflers are the most popular season's shapes.

The tones who define the new metropolitan look are blue and black, military green and steel grey.

MASTER

Authenticity and New Vintage are the guide lines of this trend.

Clean lines mix themselves with geometric decorations and unique techniques that show the workmanship of craft making. Each piece could be customized with small different details and superb finishing.

Cross body bags of medium and small size are the season's must-have bags.

The most popular colours are the leather tones of yellow, burgundy, light sand and creamy taupe.

SWIFTER

Sophistication and attention to details, patterns and retro decorations can be transformed into unique personalized items.

Shapes are more and more extended keeping big size and structure.

Hand bags recall a retro futuristic style: fur mixed with patterns and bright colours, soft brushed leather enriched by patch and folkloristic details.

Rich sparkling tones are melted with winter browns and tanned leather shades.
