All parking areas are provided with parking spaces for visitors with disabilities. We suggest to park at P4 - East Gate or P3 - South Gate. At the parking entrance, you are requested to collect the parking access ticket. Parking is free of charge. Here an operator will punch your car park ticket. At the FierAccessibile **Desk** it is necessary to show ticket, disabled parking permit and ID card.

The refund of the ticket in the following days will not be possible.
